(a) - electric pig iron.

r - revised

e - estimated

(b) - the 42 countries included in this table accounted for approximately 99% of total world blast furnace iron production in 2009.

(c) - the 14 countries included in this table accounted for approximately 88% of total world direct reduced iron production in 2009.

Year total figures include revisions not shown in the monthly data.
